

Sueños de Madera

Santa Marta, El Salvador

Welcome to Sueños de Madera! We are an artisan group, founded in June 2011, composed of young people from the community of Santa Marta, El Salvador. We have learned to work with wood throughout the past year, always with the goal of improving the quality and creativity of our work. Having had success in selling our products within the community, we are now pleased to offer these products to an International audience with the help of DGH. It is therefore our pleasure to present all friends of DGH with the following catalog for 2012. All products are made from pinewood and are cut, sanded, and painted by our hands.

If you are interested in ordering any of products (available to be picked up at the DGH General Assembly in August 2012) please email the production manager, Cruz Maria Morales at cmcatmorales@gmail.com and copy Anita Lyons at alyons18@gmail.com. Please include if you would like your orders personalized with a name or particular color! Feel free to email with questions or suggestions as well. **Orders should be placed by July 1, 2012.**

**** All orders will be available to be paid for and picked up at the DGH General Assembly this August 11-12, 2012 in Boston ****
